

## HARTNELL COMMUNITY COLLEGE DISTRICT

### **BP 5210      Communicable Diseases - Students**

**References:** California Constitution, Article IX, Section 14; Education Code, Sections 70902, 76020, and 76403; California Community College Chancellor's Office 2021-01 Advisory; AP 5210 Communicable Diseases – Students.

The Hartnell Community College District is committed to safeguarding the health and safety of our students, employees, and communities we serve. To ensure the District maintains a safe and healthy learning environment, the District shall establish procedures necessary to assure cooperation with federal, state and local public health officials in measures necessary for the prevention and control of communicable diseases in students.

Consistent with this requirement, the District requires that all students must be fully vaccinated against COVID-19, subject to the terms and exemptions established in the administrative procedures adopted by the District.

Adopted by Governing Board: May 8, 2012; Revised: September 21, 2021
