The courses offered in Spanish will be required to comply with CCCCO guidance on courses in languages other than English and students taking the course in Spanish will have ESL corequisite.

Each pair of courses will be identical except in course description and corequisites.

v. Curriculum Committee Planning approval of Modified DE Addenda and other needs related to offering courses online in emergency situations.

A) Subgroup meeting logistics

Faculty have already submitted almost half of the required Modified DE Addenda. Another email should go out to faculty and deans reminding them of the 9/11 preferred deadline and the 9/24 final deadline.

Each subgroup will have its own Zoom link. Breakout rooms have some problems so we won't use them. Main meeting will adjourn to subgroup meetings when a main meeting is necessary. Otherwise members will just report to subgroups. List of courses for subgroups to review will come out with agenda.

Subgroups are as follows:

Group 1

**Violeta leads, Herbert is staff support,
Members are Joy, Norma, Ann, Ivan, and Maria Ceja**

Group 2

**Deborah leads, Ruby is staff support,
Members are Debra, Gaby, Mercedes, Seaneen, and Gabriel**

Group 3

**Kelly leads, Jess is staff support,
Members are Sharon, Hermelinda, Joel, Daniel P. or Rhea, and Emily Gutierrez**

B) Approval criteria for DE approval

Subgroup members will review with regulations in mind, commenting on addenda where needed. If subgroup is in agreement for approval,

Addendum will go on consent agenda of future full committee meeting. If not, it will go on as a regular agenda item with discussion and recommendation of subgroup, if any.

C) How do the Modified DE Addenda get invoked?

Draft language for recommendation to Academic Senate.

“The Modified DE Addendum was created for emergency purposes only. The ability of the college to offer a DE or hybrid course using this addendum will be invoked by mutual agreement of the Academic Senate and the district governing board, or such representatives as it may designate.”

This language will come back to next meeting for vote to recommend this to Academic Senate.

VI. Certification Training

The committee went over the regulations on Distance Education curriculum in preparation for reviewing DE Addenda at fall semester meetings.
