Determination of Eligibility for Academic Renewal:

Students may petition to have their academic record reviewed for academic renewal of substandard (D, F, NC, NP Grades) academic performance under the following conditions:

- Students must have achieved a cumulative grade point average of a minimum of 2.0 since the end of the term to be disregarded at Hartnell.
- The student has completed 18 semester units since the end of the term to be disregarded leading to a certificate, associate degree, or university transfer requirements at Hartnell. Work completed at another institution cannot be used to satisfy this requirement.
- At least 3 semesters, excluding summer must have elapsed from the time the course work to be removed was completed.
- Up to 18 semester units of substandard course work may be eliminated from consideration in the cumulative grade point average computation.
- It can be demonstrated that the level of performance in the term(s) under consideration resulted from extenuating circumstances. Such extenuating circumstances shall be those acute medical, family, or other personal problems which rendered normal academic functioning unlikely or impossible. Such circumstances must be verified in writing.
- Academic renewal procedures may not conflict with the District's obligation to retain and destroy records or with the instructor's ability to determine a student's final grade.
- A student may be granted academic renewal only once.
- Academic renewal actions are irreversible. The student's permanent academic record shall be annotated in such a manner that all work remains legible, insuring a true and complete academic history. This policy applies only to Hartnell degree requirements and it might not be accepted at other institutions.
- Academic renewal by Hartnell College does not guarantee that other institutions will honor the elimination of units from consideration in the grade point average. It is the student's responsibility to confirm with a transfer institution whether academic renewal will be accepted.
